Every person, the state and any of its instrumentalities, any county, township, school district, or other political subdivision and any of its instrumentalities, and any municipal corporation and any of its instrumentalities that provides payment for health care benefits for any of its employees resident in this state, which benefits are not provided by contract with an insurer qualified to provide sickness and accident insurance or a health insuring corporation, and that includes reimbursement for any service that may be legally performed by an advanced practice registered nurse who holds a current, valid license issued under Chapter 4723. of the Revised Code and is designated as a certified nurse-midwife in accordance with section 4723.42 of the Revised Code, shall not deny reimbursement to a certified nurse-midwife performing the service if the service is performed in collaboration with a licensed physician.
